Nessun limite alla creatività!

Trovate la vostra massima espressione personalizzando i vostri portamenu, creerete pezzi unici ed esclusivi, capaci di fare la differenza.

Scegliete la finitura che volete tra quelle consigliate e sarà possibile stampare il vostro logo, o qualsiasi altra grafica, in bianco o a colori, e impreziosirlo con splendidi effetti di verniciatura, a scelta tra lucida, opaca o rilievo.

No limits to creativity!

Find your best expression customizing your menu-holders, you'll create exclusive products, enables to make the difference. Choose the finishing between those recommended and it will be possible to print your logo, or every other design, in white and colour, and beautify them with splendid effects of painting, choosing between shiny, opaque or with relief.

Kreativität keine Grenzen gesetzt!

Kreieren sie ihre personalisierte Speisekarte, alles ist möglich, ob mit Logo, Schriftzügen oder einer Grafik ob in Farbe oder schwarz weiß. Effekt Lackierung in glänzend, poliert, matt oder mit Relief. Wir stellen ihre Speisekarte nach ihren Wünschen her.

Stampa su pelle

Leather printing

Auf das Leder/Material drucken

Stampa in bianco e a colori

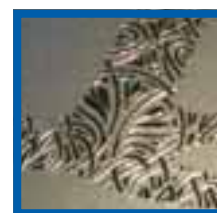

Qualsiasi tipo di grafica e fotografia su una vastissima gamma di materiali. Sarà possibile successivamente nobilitare la grafica con la verniciatura UV per rendere ancora più accattivante il prodotto finito.

White and colour printing

Every kind of design or picture on an extended range of materials. It will be possible to ennoble the graphic with the UV painting to make your product more captivating.

In Weiß oder farbig drucken

Jede Art von Grafik und Fotografie auf einer Vielzahl von Materialien. Es wird möglich sein später zu veredeln Grafiken mit UV-Beschichtung noch attraktiver auf einem fertigen Produkt zu gestalten.

Verniciatura UV

Grazie alla verniciatura UV è possibile dare risalto a determinate zone, enfatizzandole con un effetto di verniciatura opaca, lucida oppure spessorata. Grazie alla luce riflessa sulle zone verniciate, è possibile ottenere effetti materici molto personalizzati.

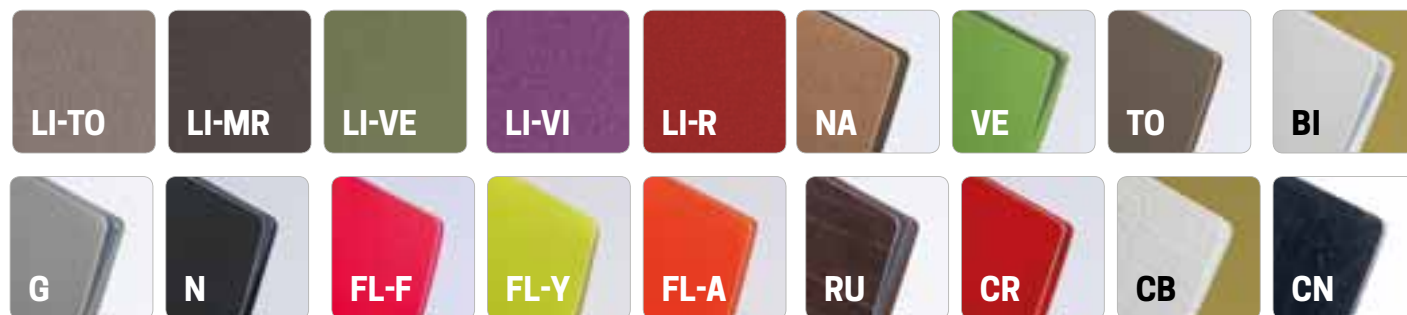

UV painting

Thanks to the UV painting it is possible to give emphasis to specific areas, with shiny, opaque or on relief effects. Thanks to the reflected light on the painted areas, it's possible to obtain very personalised effects.

UV-Beschichtung:

Mit UV-Beschichtung ist möglich, bestimmte Bereiche zu betonen, mit einem Effekt von Matte-Painting, Hochglanzpapier unterlegt.
